Policy and Responsibility

SUBJECT: STUDENT ACTIVITIES

A. STUDENT ACTIVITIES

1. The Board accepts the standards outlined in the current Utah High School Activities Association (UHSAA) handbook. All activities are under the direction of the principal.
2. The principal or designee will accompany students on all off-campus activities.
3. Student activities outside the regular school program
 - a. All requests for activities outside the regular school program must be cleared and approved by the principal. This applies to summer activities as well as activities during the regular school year.
 - b. Whenever student groups are participating under the direction of a teacher, the teacher will not accept an honorarium or special fee. All monies, prizes, etc., are to be placed immediately in the school account.
4. Regular district maintenance and operation funds shall not be used for these programs except upon special action by the Board.
5. For information on applicable fees refer to policy number PS428.

B. OVERNIGHT TRIPS

1. As a general rule, students representing the school should not remain overnight away from home if reasonable transportation arrangements can be made to bring the students home.
2. All overnight trips must have Board approval. The request for overnight trips shall include detailed plans, procedures, costs, programs and the parental survey results if taken.
3. Additional funds needed for overnight trips may be raised by students through prior approved fund raising activities. Door-to-door solicitations are to be discouraged. Money secured by students through fund raising (PS409) is to be deposited in the school account as soon as it is collected.

4. Prior to participation in the activity each student must have a parental permission form.

C. TRAVEL TOURS

1. Requests for approval of such tours shall be made by the school principal and must include detailed plans.
2. District employees affiliated with private tour sponsors are prohibited from using students as captive audiences for tour advertising during the school day. School facilities may not be used for soliciting tour participants without a building rental agreement approved through the Community Education Office. Only Board approved travel tours may be promoted.
3. Students granted release time to participate in approved travel tours, during the school year, will receive credit for attendance.
4. Teachers granted release time, during the school year, to oversee approved student travel tours will be considered on contract as if performing regular classroom duties.
5. Participating students are responsible for expenses incurred for travel.
