Statement of.....

Policy and Responsibility

SUBJECT: SCHOOL BOARD GENERAL OBJECTIVE

The Board of Education is responsible to the people and therefore should attempt to reflect the opinion of the community; however, school board members must look to the future more clearly than is required of the average citizen. The results of many of the decisions and actions of the board will not be realized at once, but will set the course of education for future years. The board of education should fearlessly support those educational philosophies and procedures needed to promote an adequate education for this community based upon the needs of the pupil population.
