SUBJECT: SPECIAL PROVISIONS – PLANNING & PREPARATION PERIOD FOR
ELEMENTARY TEACHERS ARTICLE XV

Individual elementary schools that have a planning time for Teachers may eliminate that planning time. Before becoming effective, the elimination of the planning time must be approved by a majority of the faculty (which will include all teachers and the principal of the school), and by the Board of Education. The proposal will meet state student attendance regulations. The beginning and ending times will be determined by the transportation department based on the availability of busses.
