Statement of.....

Policy and Responsibility

SUBJECT: CRISIS INTERVENTION

The Murray City School District understands that students need support when dealing with a crisis situation. As such, it is the policy of the Board that schools will follow the guidelines outlined in the Murray City School District Crisis Manual. The Crisis Manual will be reviewed annually.

The Crisis Intervention Team will include counselors, psychologists, social workers and the Drug and Alcohol Specialist. The Board directs the Administration to provide annual training for the Crisis Intervention Team.
