The Murray Board of Education reserves the right to alter or amend this calendar as may be necessitated by unforeseen events. The Utah State Board of Education has ruled that school must be held a minimum of 180 days. If an emergency develops and school cannot be held, the calendar may have to be modified to provide 179 days of school.

**\*\* Teacher Work day**, March 29, will be a school day if an earlier day is lost due to snow.
