

Transition Services Plan

Student _____ Date of IEP _____

1. Transition Planning is required beginning not later than the first IEP to be in effect when the student is 16 years of age, or younger if determined appropriate by the IEP team.

2. Student's postsecondary goals based on age-appropriate transition assessments:

	Student's Postsecondary Goals	Age-appropriate transition assessments and results
Training e.g. vocational training, continuing and adult education, on-the-job training		
Education e.g. community college, university, technical school		
Employment e.g. paid (competitive, supported, sheltered), unpaid, non-employment		
Independent Living Skills e.g. adult living, daily living, financial, transportation		

3. PLAAFP statements address transition strengths and needs. Yes No

4. IEP contains measurable goals/activities designed to help the student make progress toward the postsecondary goals.

5. Course of study leading toward the goals and activities described above (e.g. series of courses, extracurricular activities, and community-based school experiences) _____

(May attach SEOP if it contains course of study) Refer to supplemental graduation requirements worksheet.

7. Identify any agency that might be responsible for providing or paying for any transition services.

Attach signed parent/student consent form if agency representative was invited to the IEP meeting.

Agency	Responsibility	Contact Person
--------	----------------	----------------

OR No interagency linkages required at this time

8. On or before the student's 17th birthday, inform the student and parents of transfer of rights at age 18 and attach the "Age of Majority" documentation.

GRADUATION AND DIPLOMAS in UTAH

Graduating with a regular high school diploma or reaching age 22 terminates special education services.

- Students who do not meet graduation requirements may be awarded a certificate of completion, in accordance with school district or school policy.
