Statement of.....

Policy and Responsibility

SUBJECT: ADVERTISING OR ANNOUNCEMENTS

1. To avoid disruption of students' instructional activities, schools shall not be used for distribution of partisan, religious, or commercial advertisements, fliers, bulletins, newspapers, etc.; nor shall such items be placed on vehicles parked on school grounds.
2. The Superintendent or designee may permit the school distribution of fliers, bulletins, newspapers, etc. with information regarding nonprofit community youth programs such as Boy Scouts of America, Girl Scouts of America, county and municipal programs, and little league-type recreation programs.
3. Students and employees of the district, including teachers and administrators, shall not act as agents for commercial agents during school hours or contract time.
4. A district employee's participation in a private, but education-related, activity must be separate and distinguishable from the employee's public employment. Murray City School District employees may purchase advertising space to promote private or non-school-sponsored events in the same manner as the general public. The district employee's employment and experience can be used to demonstrate qualifications. The advertisement must clearly state that the activity is not school sponsored. See R277-107 for specific direction.
