Adult meals	\$2.00	\$2.00	\$2.00
Visiting children	\$1.75	\$1.75	\$1.75

PLEASE KEEP THE FOLLOWING IN MIND!

- Student account balances are available on the district website www.murrayschools.org Go to the Aspire/SIS Grades and Attendance link to login to the student account.
- The accounting system for the lunch and breakfast program is completely computerized. All meals must be paid for in advance.
- Money must be put in the student's account **before** the student goes through the cafeteria line. There must be sufficient money in the account to pay for that day's meal.
- We recommend that parents deposit at least one week's lunch and/or breakfast money in their student's account at a time. Checks are best because parents can be sure that the money goes entirely for meals, not other things. We are happy to take payments for longer periods, such as by month or term.
- We do not give change. (This applies to both cash and checks).
- Deficit notices are sent to parents of students who have a negative account balance. **Please note the date on the notice.** The amount listed will bring the students' account current only to that date. The amount paid after the date on the deficit notice should reflect meals charged since the notice was sent and include payment for future meals as well. If there is a problem with your deficit notice, please check with the school's lunch clerk or the Child Nutrition Secretary at the district office.
- Student lunch deposit envelopes are provided at the school. Please make sure they are filled out correctly to eliminate any errors. More than one student can be listed on the envelope.
- School meals can be paid online with PaySchools, a secure online payment processing system. **THERE IS A ONE DAY DELAY IN PROCESSING!** Using PaySchools is easy. Visit the district website and click on the PaySchools icon for details.

This institution is an equal opportunity provider.
