SCHEDULE CHANGE REQUEST 2017 -2018
Parent Permission Form

To request a schedule change students must meet with their assigned counselor and bring this completed form, including the parent/guardian signature. See the counseling secretary to sign up for an appointment and you will be called out of class on a first come, first serve basis. Because of the heavy class loads it will be very difficult to make a class change. Each class change fee is \$10 per change and for extenuating circumstances only. Schedule changes are made the first 4 days ONLY of the semester. No schedule changes at the end of term 1 or term 3.
