Vehicle Day Set “To Roll” in Murray School District

Popular activity scheduled for district 3rd graders

September 20, 2007, Murray, UT – The Murray High Career Center and Murray District Work-Based Learning Department will again be presenting the Vehicle Day career-exploration event for all 3rd grade students in the Murray City School District. Here are the details:

Event: Vehicle Day, Murray School District 3rd grade classes

Date: Friday, September 21

Time: 9:15 AM – 11:30 AM

Location: Murray High School south parking lot, 5440 South State Street

There are some exciting vehicles scheduled for this year’s Vehicle Day, including a race car from Larry Miller Motor Park, a stunt motorcycle and driver, Hair and Makeup Trailer from Salty Films Movie Company, police motorcycles, maintenance vehicles from Murray City, humvees from the military, fire trucks, hearses, dump truck, power truck, big cement truck, ambulance, Life Flight, and more.

During Vehicle Day, students will be allowed to “check out” this great assortment of vehicles, both inside and out. They will also hear about the professions represented from employees attending their vehicles on-site as they give information about their careers, demonstrate equipment and answer questions. This is a highly anticipated activity and students were greatly disappointed when last year’s event was rained out. This event is as much fun for the teachers and field trip chaperones as it is for the kids!

Contact: Joan Anderson, Work-based Learning Coordinator, Murray High School

Phone: 264-7460, Email: janderson3@mury.k12.ut.us

Under the direction of the Murray Schools Board of Education, the mission of the Murray City School District is to work in partnership with the community in the education of youth in a changing society. Richard R. Tranter is superintendent and chief executive officer of the Murray City School District; Mitzie Huff is president of the Murray Board of Education.
