DONATION FORM

Invest in a Kid – You’ll be glad you did ...

Thank you for your willingness to assist the Murray Education Foundation (MEF) in raising money to provide additional support for school needs. Your donation is a critical factor in helping us reach our goal. Absolutely 100% of all donations collected will go directly to support programs for all children at every grade level and in all schools.

Your gift may fund many different areas, including literacy, math and science, arts and music, and after-school programs. This is a terrific opportunity to participate directly in enhancing the quality of education for our own Murray students while being a pro-active friend of public education.

Thank you again for participating in “Invest in a Kid.” You’ll be glad you did!
