School Board Meetings begin at 7:00pm and are held at the District Office (147 East 5065 South).

Please provide a flag ceremony by a Boy or Girl Scout troop from your school for the evening you are assigned to report. They should be there and ready at least 5 minutes before the meeting begins.

We would also like to spotlight your principal at the time you are doing your presentation at the Wednesday morning PTA meeting at 10:00am. This does not need to be done for the evening school board meeting. Just provide a little something about them, as we want to recognize them as well.

Thanks! You're all awesome!
