## Argument for Calendar A

In assembling this calendar, we have tried to maintain a calendar with the same features Murray families are familiar with from years past. This calendar includes frequent breaks for both teachers and students throughout the year. These breaks provide families with time for vacation and travel around holidays so that there is less competition between these activities and school time. These breaks also provide some time for rest and rejuvenation throughout the year, which is perceived as beneficial for some students, especially in the younger grades.

## Considerations for Calendar A

- Fall Break (2 days)
- Thanksgiving Break (3 days)
- Winter Break (10 days)
- Spring Break (5 days)
- Semester Ends on January $13^{\text {th }}$
- School Ends on June $2^{\text {nd }}$

## Argument for Calendar B

In assembling this calendar, we have also tried to maintain a calendar with the same features Murray families are familiar with from years past. Calendar B is very similar to Calendar A, with the only significant differences being that Winter Break is shorter, Spring Break is earlier, and we would end prior to Memorial Day.

## Considerations for Calendar B

- Fall Break (2 days)
- Thanksgiving Break (3 days)
- Winter Break (7 days)
- Spring Break (5 days)
- Semester Ends on January 6 $6^{\text {th }}$
- School Ends on May 27 ${ }^{\text {th }}$
*Note - Both Calendar A and Calendar B have students starting on August 16 ${ }^{\text {th }}$. This lines up with the start date for many of the other districts in the Salt Lake Valley.

## 2021-2022 School Calendar (Option A - Final)
