

Your Free and Reduced School Meal Application is more than a meal ticket.

Your application opens the door to important school funding, discounts, and resources.

When you register your student, please take a moment to complete the Free and Reduced School Meal Program Application.

This application is more than a free meal, it also unlocks other benefits for all students and their families.

Application Fees

Qualified students get discounted college application fees.

School Meals

Qualified students get free or reduced school meals.

Other Discounts

Qualified students can get a verification letter that opens the door to discounts on cable TV, recreation programs, daycare, and other community services.

School Funding

Qualified schools get additional funding and grants for specialized programs and initiatives that ensure a world-class education for every child.

Technology

Qualified schools get enhanced technology resources, improved internet, wireless, and network services.

Additionally, only one application is required per household, all information is held in strict confidentiality.

Remember... it's **MORE than a Meal**.
